Risks and Warnings

Competitive Credit Product	Please do your research to choose the best credit facility before you opt for a credit card. You should also compare the options available in market before choosing Dubai Islamic Bank credit card
Credit Risk	Customers who take credit facilities from a bank must ensure timely payments to settle their outstanding amounts. This is critical to maintain good credit history at AECB (Al Etrhad Credit Bureau) so that banks are able to service customer's future banking needs
Risk of High Credit Price	Customers who are undisciplined in using their cards judiciously may end up paying high profit charges over the lifetime of the credit card. Credit card products are expensive for customers who settle only a part of their card outstanding by the Payment Due Date.

PRIME CARD APPLICATION

Ref # :10655600

Risk of Over-spending	Customers should be cognizant of the repercussions of spending more than their disposable income . A Credit Card product gives customers leverage and freedom to spend more and this can lead to customers spending more than their incomes permit, which can lead customers to a debt trap.
Risk of Card Compromise	Customers should not share their Card details and/or PIN with anyone. Customers should also not share the One Time Password (OTP) that is sent to them by the Bank while performing a financial transaction. In case, a customer's card is compromised or lost/stolen, the customer must contact the Bank immediately to block the card.

Terms & Conditions

- The Governing Law and Jurisdiction of court: This document and other terms and conditions shall be governed by the UAE federal laws as applied by the competent courts of the UAE to the extent these laws do not conflict with the principles of Sharia in which case the principles of Sharia shall prevail
- In case of late payments or non-payments of Monthly Credit Card Payment, The Bank may ask to pay a Late Payment donation pursuant to the undertaking provided in the T &Cs. In addition a Negative Credit Information Agency rating and possible legal action may also be taken.
- You will be responsible for all credit or other facilities granted by the Bank in respect of the Card and for all related charges hereunder, notwithstanding the termination of these Terms and Conditions .
